Subject: Heartfelt Thanks for a Wonderful 31st Anniversary D&D

Dear Kristin & Team,

On behalf of our committee and team, we would like to extend our sincere appreciation for the excellent job you did at our 31st Anniversary Dinner & Dance on 10 November 2025.

Everything — from the event planning, coordination, and stage management to the engaging hosting — was executed seamlessly. The flow of the evening was smooth, the atmosphere lively, and the audience thoroughly enjoyed themselves. Your professionalism, energy, and attention to detail truly made the event a memorable success.

Special thanks to Emcee Wayne Chua for keeping the crowd entertained and the programme running effortlessly — your charisma and quick wit added a fantastic touch to the evening! One of the highlights was the impromptu Cash Sponsorship Lucky Draw request from the BOD, which became a delightful surprise and heartfelt reward for our staff. We are truly grateful for that special moment.

It was a pleasure working with such a dedicated and talented team. We sincerely appreciate your partnership and look forward to collaborating again in future event.

Thanks

Have a fantastic day. 😊

Dear Ms Kristin Cai,
Letter of appreciation for organising Menicon 8th Annual Dinner on Fri, 16 Dec, 2016

A warm "Thank You" to Above The Line for successfully organising our company 8th Annual Dinner on Fri, 16 Dec, 2016 at the Carlton Hotel.

The Management and Staff of Menicon Singapore Pte Ltd truly enjoyed a fun filled Annual Dinner that evening from the sounds of laughter to the active participation from our staff throughout the evening.

Your company crew members provided us with a solid logistically and technical support from start to the end of the evening. It made the evening program very seamless even though it was a back to back program. Menicon staff were entertained by the pre sporting activities organised. As usual the crowd attraction was your photo booth. The photos shots were clear and bright and professionally well taken.

The main draw and star attraction for that evening was truly your Master of Ceremony, Terrence Yang. Terrence was very entertaining, witty, humorous, sporty, live wire, engaging and a professional performer. He was able to hold the crowd and getting them to participate in all the games organised. His showmanship in terms of singing and dancing was truly amazing and entertaining. Judging from the lots of laughter throughout the evening, the staff were enjoying the program.

At the end of the evening, even our Managing Director, Steve acknowledged Terrence for his good performance and showmanship as a professional Master of Ceremony which he seldom give praises for such event. After the event, quite a number of our staff commented to me that they like Terrence for his entertaining and professional hosting for that evening.

Lastly, we would like to thank you too for providing us with pre, during and post event support throughout this event ie making this 8th Annual Dinner a memorable and enjoyable evening. We will not hesitate to recommend, Above The Line, to any prospective customers to host their company events.

Yours sincerely
